## **Editing Save Files**

First, download Hex Workshop, http://www.hexworkshop.com/

Now open HW and you'll see this screen

Now go to File open and select a sav file.

Now you have your file!

Right click and select Goto, offset. Now for example lets choose, to give abe a fart. which is 0x0000061C. So type in 0000061C.
